Parents please R.S.V.P. by October 19th to youthcommittee@tatecocu.com

Start Date: _____ **Goal Date:** _____

A worksheet template for counting money. The top section consists of a grid of 30 empty circles, arranged in 6 rows and 5 columns, intended for placing or drawing coins. Below this grid, on the left side, is a cartoon illustration of a brown money bag with a large black dollar sign (\$) on its front. Several green banknotes are shown sticking out of the top of the bag. To the right of the money bag is a green rectangular box with a white border. Inside this box, the text "TOTAL \$:" is written in bold white capital letters, followed by a blank space for writing the total amount.
