TATECO (POS) CREDIT UNION
CO-OPERATIVE SOCIETY LTD.

NOTICE

Dear Valued Members,

We remain committed to keeping you informed about important changes that may affect your financial planning.

As part of our continued efforts to support our members, we reduced interest rates during the COVID-19 pandemic to ease financial pressures amidst a challenging time. This decision was made in the spirit of solidarity and care for our credit union family.

As we now look ahead to long-term sustainability and growth, we will be reverting to our pre-pandemic interest rates. These adjustments reflect the current economic landscape and are necessary to ensure we can continue providing strong, dependable services to our valued members.

Effective immediately, the following interest rates will be adjusted:

LOAN TYPE	FROM	TO
Used Vehicle	6%	7%
Debt Consolidation	11%	15%
Personal	10%	12%

We remain committed to serving you with integrity, care and excellence. Thank you for your continued trust and support as we work together to build a stronger financial future for all our members.
